Product Description

Take your feline friend on all of your adventures with our portable pet bag! This innovative backpack is designed specifically for cats, and is perfect for outdoor use. Whether you're going for a hike, a walk, or just exploring the neighbourhood, this bag will keep your furry companion safe and secure.

Our bag features a unique space capsule design that is both stylish and functional. The breathable mesh material ensures that your cat has plenty of airflow, while the padded shoulder straps make it comfortable for you to carry. Plus, it's offered in a variety of fun colours, including red, blue, white, black, and yellow.

But that's not all - this cat capsule is also extremely durable and easy to clean. The water-resistant material and sturdy construction means it can withstand the elements, while the removable and washable inner pad makes it easy to keep clean.

Don't leave your cat behind on your next outdoor adventure, take them with you in style with our portable pet bags. Order yours today and explore the world together!
